TO : Fred N. Rubel, Chief
Emergency Response & Inspection Branch

DATE: May 30, 1979

FROM : Michael V. Polito
Emergency Response & Inspection Branch

SUBJECT: NPDES Review - Duane Marine Company, Perth Amboy, New Jersey

On Thursday, May 24th, I accompanied Leon Lazarus of EPA's NJ Water Programs Branch to the Duane Marine Company, Perth Amboy, New Jersey, to evaluate compliance of that facility to the requirements of the NPDES regulations. Leon indicated that he was also, to a degree, evaluating compliance of this facility to the requirements of RCRA. Leon will be writing a report as to his visit which I will forward to you upon its receipt.
